Cesar Chavez Academy STEM application 2020-21

Hello to all upcoming 8th graders!

Cesar Chavez Academy would like you to consider applying for the STEM class- PLTW Flight and Space. The exciting world of aerospace comes alive with Flight and Space! During this class, students delve into the history of flight and space, discover the science behind aeronautics, and explore traveling and living in space. Students are then challenged to use their knowledge to design, build and test an airfoil. Priority will be given to students that were enrolled in STEM in 7th grade.

Please answer the questions below and return to the front office by March 20th.
