

Norco FFA Growing Leaders

National Chapter Finalist

Norco High School is located in southern California in the city of Norco. There are 415 FFA members in our Chapter. We pride ourselves in being tied strongly to our community and its needs. We work regularly alongside other service organizations in town to make a variety of community events happen. We are honored to be a finalist in the Growing Leaders category of the National Chapter award area.

Leadership

Training for a Year of Leadership

Our training retreat provides an opportunity for the FFA Officers to determine their strengths and weaknesses as individuals. The team works together to maximize those strengths and support each other as they work on minimizing their weaknesses.

Several community and government organizations helped to make the Youth Town Hall a success. To include the City of Norco, the Corona Norco Unified School District, the County of Riverside, the Norco FFA Club, the Norco Kiwanis Club, the Norco High School staff, the Rotary Club of Norco, the Riverside Sheriff's Department and Riverside County District Attorney's Office.

The Rotary Club of Norco was proud to be part of this informational event last night. We served over 200 meals of hamburgers or hot dogs, with chips and water to the students who came to the hear and see the presentations.

Very thankful to the Norco High School staff and UNLOAD committee for putting this educational and safety program together.
