

August 2019

Dear Parents,

Welcome to First Grade! We have many fun and educational activities planned in order to assist you child in reaching the standard goals for First Grade.

Unfortunately, due to the state budget crisis, we have little money to purchase supplies. We are asking for your help by providing the following materials:

Ream of Xerox paper	Disinfectant Wipes
4 pack black Expo markers	Hand Sanitizer
Glue Sticks	Paper towels
Box of 24 crayons	black sharpie markers

First Graders use primary pencils that are fatter than a standard pencil. It is not necessary to send pencils. If you would like to make a monetary donation toward the purchase of pencils, I can order them through the school warehouse for less than what they cost in the stores.

The other materials are on sale right now at Target and Walmart. These materials will be collected and used throughout the year in the classroom. Please do not write your child's name on any of the items as they will be shared by the whole class.

If everyone does their part to provide the materials for their own child the cost burden will be manageable. If you are unable to purchase the suggested materials, due to your own financial constraints, please let me know and other arrangements can be made.

If you are in a financial position to help another child in the classroom by sending additional supplies, that would be terrific! Your donations of these items are greatly appreciated. We will need to work together to provide the best education for your child.

Sincerely,

Mrs. Poyar
